Specialist in Employment Status

About

AMEX Outsourcing specialises in delivering customised Payroll, HR, employment status, and compliance services for businesses of any size.

With increased HMRC scrutiny on contractor employment, we help clients avoid costly misclassification errors that may lead to financial penalties and long-term liabilities.

Our services are designed to ensure regulatory compliance, optimise HR processes, and minimise legal risks, all while supporting business growth. Backed by a dedicated team of legal and accounting experts, we provide innovative, transparent services and round-the-clock support—at no extra cost.

Trust us to safeguard your business with expert guidance and upto-date insights.

Company Benefit

End-to-End Payroll

Our comprehensive payroll outsourcing service covers both direct employees and subcontractors, ensuring everything from overtime to holiday pay is taken care of accurately with no issues.

IR35 Compliance

Our knowledgeable team will provide expert guidance in assessing IR35 status, utilising advanced tools and methodologies to ensure you receive accurate, reliable information tailored to your specific circumstances. We are committed to delivering clear, actionable insights to help you navigate the complexities of IR35 compliance with confidence.

Up-to-Date Technology

Here at AMEX Outsourcing, we use the latest cloud-based payroll software to ensure seamless, secure, and efficient management of all documentation. We prioritise the safety and confidentiality of employee information, using the most advanced cloud solutions for payroll processing.

Compliance without concern

Our knowledgeable team ensures your payroll remains fully compliant with ever-evolving regulations. By staying ahead of legislative changes, we provide proactive support to help you avoid costly penalties and maintain seamless operations. Trust us to safeguard your compliance and streamline your payroll processes with precision and expertise.

How can we benefit you

AMEX Outsourcing can transform the way your business manages its operations, offering a wide range of benefits tailored to your needs. Our expert team is dedicated to helping you save valuable time by taking over time-consuming tasks, enabling you to focus on strategic initiatives that drive growth. We specialise in ensuring full compliance with the ever-evolving demands of payroll legislation, staying ahead of changes so you don't have to worry about potential risks or penalties.

With our advanced systems and expertise, we handle complex payroll calculations with accuracy and efficiency, reducing errors and ensuring timely payments for your employees. From managing tax deductions and statutory contributions to addressing unique payroll challenges, our solutions are designed to be scalable and adaptable to businesses of all sizes.

In addition to improving compliance and accuracy, outsourcing with AMEX Outsourcing can also reduce costs by eliminating the need for in-house payroll infrastructure and dedicated staff, while providing access to cutting-edge payroll technology. Partnering with us ensures peace of mind, operational efficiency, and the confidence that your payroll processes are in the hands of experienced professionals.
